

Petition Opposing Proposed Increase in Court Fees

Join Erie County Clerk Kathy Hochul in opposing the recently proposed State court fee increases. The cost of filing motions would rise from \$45 to \$120, a 167% increase. The cost of an Index Number would increase from \$210 to \$260, a hike of 24%. This would result in an additional \$1.8 million from residents who utilize the legal system in Erie County and Supreme Court. Sign below and contact your local State legislators to oppose these increases.
